Cancellation Policy

Physical Condition Considerations
Due to the unique locations of the majority of our tour houses, all general conference tour attendees must be capable of walking up steeply inclined driveways, unpaved inclined surfaces, tight spaces and staircases without handrails with no assistance. These private residences are not subject to ADA requirements. There would not be a safe area to wait at the base of a driveway if you are unable to walk up. For the safety and enjoyment of all attendees, please consider the Sessions + Events registration option if you may have difficulty accessing this year’s tour sites.

Liability Waiver
By registering for the conference you consent to the following: “In consideration of my admission to the properties toured through the Frank Lloyd Wright Building Conservancy (FLWBC), I agree to waive, release and hold harmless FLWBC and the owners, operators, members, students, officers, directors, trustees, agents, successors and assigns, of each and every house, site and entity included in the conference, including any announced changes, from any and all claims, injuries, causes of action, demands, costs, liability and/or harm of any kind that I may have or may acquire against each of them as a result of my participation in this event. This release shall not be effective if the claim or injury is the result of the sole negligence of the named entity.”

John G. Thorpe Young Professionals and Students Fellowship
To save Wright, we must encourage the next generation of advocates to join in our mission. In memory of architect and preservationist John Thorpe, all tax-deductible contributions to our fellowship program allow selected graduate students in architecture and historic preservation, or professionals in the first five years of their career, to attend the conference at no cost. Consider donating to the Thorpe Fellowship with your conference registration, or year-round at savewright.org/make-a-donation. Encourage deserving candidates to apply with the application at savewright.org.
