About the 2024 Conference
Detroit and our experiences with its urbanized landscape offer us a chance to critically examine the relationships of Wright’s legacy to historical and contemporary issues of American landscapes, cities and suburbs.

Audience & Activities
Through special events, talks, and tours of buildings by Wright and contemporaries, many not regularly open to visitors, our conferences build a community of knowledgeable, passionate advocates for the preservation of Wright’s nearly 400 extant buildings. Meet preservationists advocates, owners of Wright-designed houses, administrators of public sites, architects, scholars, and restoration specialists from around the world.

About the Conservancy
We are the only organization focused exclusively on the preservation and stewardship of the remaining structures designed by Frank Lloyd Wright through advocacy, education and technical services. Since our founding in 1989, the Conservancy has led efforts to save many Wright buildings that otherwise would have been lost forever.
